All instruction shall also include job relevant language terminology and usage of the designated field of interest.

Familiarization and Survival Turkish (FAST) Class
The FAST course is designed for people whose assignments do not have a language requirement and for those who have had no Turkish language training. Focusing on situations likely to be encountered in Turkey, the course objective is to provide participants with language skills that will enable them to express needs, obtain services, get information, deal with emergencies, cope with native speakers and use the phone. This course is supported by making use of essential language and cultural knowledge, and field trips to the museum, market, city tour and bazaar that aims to assist participants in feeling comfortable with getting out and about Ankara and Turkey. This course also provides a foundation for further language learning. Training is full-time and intensive. FAST training is preparation for getting things done despite linguistic disadvantages, by making use of essential language and cultural knowledge.

At the end of the course students should be able to:

- Express needs and obtain services.
- Get information and deal with emergencies.
- Cope with native speakers.
- Engage in everyday social conversation.
- Use the telephone.

**Beginner Class**
The beginner course is designed for those who are at the S/R-0 to S/R-1 level and those who have attended the Familiarization and Survival Turkish (FAST) classes. With functional but limited proficiency, participants will be able to satisfy minimum courtesy requirements, maintain very simple face-to-face conversations on familiar topics, have some understanding of social conversations and will have ability to extend beyond immediate survival needs. Field trips to the museum, market, city tour, and bazaar will be organized to support and enhance learning.

**Intermediate Class**
The intermediate course is designed for those who are at the S/R-2 to S/R-2+ level and have limited working proficiency. Training at this level aims to enhance the participant’s ability to live and work effectively in Turkey by focusing on routine work-related interactions and social conversational situations, including casual conversations about events, work and family. Aimed at further developing job-specific language needs, participants in this program have the opportunity to attend any of the job-specific language classes. To support and enhance learning, field trips will be organized for participants.

**Advanced Class**
The advanced course is designed for speakers at the S/R-3 level and above. Classes enable students to maintain and further develop their abilities. Intended to flexibly meet advanced student learning needs, including work-specific vocabulary.

**Job-specific (various)**
The job-specific program is designed to enable learners (S/R-3 and above) to maintain and enhance language proficiency at a professional level. Participants will be able to converse fluently in Turkish on social and job-specific issues, read printed material such as newspapers, magazines and articles, and listen to audio/visual media such as news and current affairs programs. The particular field of the learner will be emphasized in this program. Participants also have the opportunity to attend the intermediate class if they wish to work on their grammar. Job related vocabulary and all forms of media will be extensively used. Specific job areas will be Consular, Political and Public Affairs.

**One-on-One Training**
One-on-one tutoring will be limited to people who, because of their schedules or other circumstances, are unable to make the regularly scheduled classes. The classes will be tailored to the needs of the individual student, and can include conversation, grammar and/or subject specific training. The one-on-one tutoring sessions must be specifically approved by the student’s agency or office.

**Conversation Class**
Conversation classes will be organized based on need and request, the language instructor can work with students in their regular classes to find out who might be interested, and these students and teacher can work with each other to find a suitable day and time. These classes will be conducted as informal conversation sessions, for students to learn to conduct everyday conversation, practice speaking and learn colloquial Turkish as it arises in every day conversation. Essentially this will fulfill the needs of students who are not able to find enough opportunity to build on their speaking skills in regular instructional classes.
Classes listed above may be split into subclasses depending on the number of students enrolled in each class and their levels (e.g. 2 x Beginner A Class + 2 x Beginner B Class per week).

3. **PERIOD OF PERFORMANCE**

All non-virtual classes will be held in a classroom at the U.S. Embassy compound during regular working hours. Unless specifically requested, classes will not be held on local and American holidays or any other holiday designated by Federal Law, Executive Order or Presidential Proclamation.

This plan provides an effective method to promote satisfactory contractor performance. The QASP provides a method for the Contracting Officer's Representative (COR) to monitor Contractor performance, advise the Contractor of unsatisfactory performance, and notify the Contracting Officer of continued unsatisfactory performance. The Contractor, not the Government, is responsible for management and quality control to meet the terms of the contract. The role of the Government is to monitor quality to ensure that contract standards are achieved.

7.1 SURVEILLANCE

The COR/POC will receive and document all complaints from Government personnel regarding the services provided. If appropriate, the COR/POC will send the complaints to the Contractor for corrective action.
7.2 STANDARD

The performance standard is that the Government receives no more than one (1) customer complaint per month. The COR/POC shall notify the Contracting Officer of the complaints so that the Contracting Officer may take appropriate action to enforce the inspection clause (FAR 52.212-4, Contract Terms and Conditions-Commercial Items), if any of the services exceed the standard.

7.3 PROCEDURES

(a) If any Government personnel observe unacceptable services, either incomplete work or required services not being performed they should immediately contact the COR/POC.

(b) The COR/POC will complete appropriate documentation to record the complaint.

(c) If the COR determines the complaint is invalid, the COR will advise the complainant. The COR/POC will retain the annotated copy of the written complaint for his/her files.

(d) If the COR/POC determines the complaint is valid, the COR/POC will inform the Contractor and give the Contractor additional time to correct the defect, if additional time is available. The COR/POC shall determine how much time is reasonable.

(e) The COR/POC shall, as a minimum, orally notify the Contractor of any valid complaints.

(f) If the Contractor disagrees with the complaint after investigation of the site and challenges the validity of the complaint, the Contractor will notify the COR/POC. The COR/POC will review the matter to determine the validity of the complaint.

(g) The COR/POC will consider complaints as resolved unless notified otherwise by the complainant.

(h) Repeat customer complaints are not permitted for any services. If a repeat customer complaint is received for the same deficiency during the service period, the COR/POC will contact the Contracting Officer for appropriate action under the Inspection clause.

(End of clause)

52.229-12 TAX ON CERTAIN FOREIGN PROCUREMENTS—NOTICE AND REPRESENTATION (FEB 2021)

(a) Definitions. As used in this clause—

Foreign person means any person other than a United States person.

United States person, as defined in 26 U.S.C. 7701(a)(30), means—

(1) A citizen or resident of the United States;
(2) A domestic partnership;
(3) A domestic corporation;
(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 7701(a)(31)); and
(5) Any trust if-
   (i) A court within the United States is able to exercise primary supervision over the administration of the trust; and
   (ii) One or more United States persons have the authority to control all substantial decisions of the trust.

   (b) This clause applies only to foreign persons. It implements 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

   (c)  
   (1) If the Contractor is a foreign person and has only a partial or no exemption to the withholding, the Contractor shall include the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, with each voucher or invoice submitted under this contract throughout the period in which this status is applicable. The excise tax withholding is applied at the payment level, not at the contract level. The Contractor should revise each IRS Form W-14 submission to reflect the exemption (if any) that applies to that particular invoice, such as a different exemption applying. In the absence of a completed IRS Form W-14 accompanying a payment request, the default withholding percentage is 2 percent for the section 5000C withholding for that payment request. Information about IRS Form W-14 and its separate instructions is available via the internet at www.irs.gov/w14.

   (2) If the Contractor is a foreign person and has indicated in its offer in the provision 52.229-11, Tax on Certain Foreign Procurements—Notice and Representation, that it is fully exempt from the withholding, and certified the full exemption on the IRS Form W-14, and if that full exemption no longer applies due to a change in circumstances during the performance of the contract that causes the Contractor to become subject to the withholding for the 2 percent excise tax then the Contractor shall–

   (i) Notify the Contracting Officer within 30 days of a change in circumstances that causes the Contractor to be subject to the excise tax withholding under 26 U.S.C. 5000C; and

   (ii) Comply with paragraph (c)(1) of this clause.

   (d) The Government will withhold a full 2 percent of each payment unless the Contractor claims an exemption. If the Contractor enters a ratio in Line 12 of the IRS Form W-14, the result of Line 11 divided by Line 10, the Government will withhold from each payment an amount equal to 2 percent multiplied by the contract ratio. If the Contractor marks box 9 of the IRS Form W-14 (rather than completes Lines 10 through 12), the Contractor must identify and enter the specific exempt and nonexempt amounts in Line 15 of the IRS Form W-14; the Government will then withhold 2 percent only from the nonexempt amount. See the IRS Form W-14 and its instructions.

   (e) Exemptions from the withholding under this clause are described at 26 CFR 1.5000C-1(d)(5) through (7). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C.
5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue.

(f) Taxes imposed under 26 U.S.C. 5000C may not be—

(1) Included in the contract price; nor
(2) Reimbursed.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to https://www.irs.gov/help/tax-law-questions.

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR part 25. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American statute. (h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) □ Are, □ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) □ Have, □ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) □ Are, □ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) □ Have, □ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.
(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). 52.229-11 TAX ON CERTAIN FOREIGN PROCUREMENTS—NOTICE AND REPRESENTATION (JUN 2020)

(a) **Definitions.** As used in this provision—

*Foreign person* means any person other than a United States person.

*Specified Federal procurement payment* means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

*United States person* as defined in 26 U.S.C. 7701(a)(30) means—

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that—
   (1) It [__]is [__]is not a foreign person; and
   (2) If the Offeror indicates “is” in paragraph (d)(1) of this provision, then the Offeror represents that—I am claiming on the IRS Form W-14 [____] a full exemption, or [____] partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then—
   (1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and
   (2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects “is” in paragraph (d)(1) and “partial or no exemption” in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. **For questions relating to the interpretation of the IRS regulations go to [https://www.irs.gov/help/tax-law-questions](https://www.irs.gov/help/tax-law-questions).**
